

Pierce County 4-H FFA - Meat Animal Project

Protest Request

Name: _____ Date: _____

In the event of a “**Project Protest**” or grievance, the member must submit a written “**Protest Request**” form to the Livestock Committee Chairman or the Pierce County Extension Office. The Chairman will then schedule a “**Protest Hearing**” with representatives from the 4-H/FFA Meat Animal Protest Committee (Committee officers plus one representative from each species). *Note: The member’s parent/guardian may NOT be included in this panel.* The member and his/her parent/guardian will be notified of the meeting place, date and time. The member and his/her parent/guardian are expected to attend this hearing. *Note: If the member and/or parent/guardian fail to show for the “Protest Hearing”, no action will be taken and an additional hearing will **NOT** be scheduled.*

The member will need to state and explain their protest to the panel presiding at the hearing; the panel will then determine the resolution of the protest. **The decision of this panel is final.** When it’s done - it’s all done! Any further discussion by the exhibitor and/or his/her parents is strictly prohibited and may result in disciplinary action which could include the loss of the right to show the following year.
